AREA MEMBERSHIP DURING 2018 – HOW HAVE WE FARED?

Although membership growth in our area has not been all we had hoped for in 2018 (given the opportunities that RAF100 presented) we are pleased to report more than 2,000 people have joined the Association in our area so far this year, which will look like a net growth of around 3 per cent. Thanks to those amongst you who have kept membership recruitment uppermost. 2019 will be a year to push on and find other like-minded individuals who can help to strengthen our branch network. It has been a challenging year especially for those amongst you who take on branch and club officer responsibilities. Thank you for support and to those who attended branch development workshops; more opportunities will be organised in 2019.

BIRMINGHAM INTERNATIONAL TATTOO

A huge thank you to those standard bearers who attended the Birmingham International Tattoo in November and paraded in front of thousands as the Association looked to 'sign off' this RAF centenary year in style. More than 60 standard bearers were joined in the Arena by our three RAF100 tokens which were ceremonially paraded by 'reforming' the three founding elements of the RAF – namely the Royal Flying Corps, Royal Naval Air Service and Lord Trenchard.

WE WILL REMEMBER

The Dursley and South Gloucestershire Branch is shocked and extremely saddened at the passing of our friend and colleague, Vice-Chairman and Treasurer, Malcolm Hall. Malcolm began his career in aviation with a four-year engineering apprenticeship at the Fairey Aviation Company, subsequently learning to fly at the Company's test airfield White Waltham.

In 1955 he joined the Royal Air Force on a three-year short service engagement in the Technical Branch. Returning to the aircraft industry, Malcolm worked on the flight development of the Buccaneer, followed by Concorde. During the former period he was recommissioned in the RAF VR (Training Branch), serving for eight years at weekends as a gliding instructor with 642 Air Cadet Gliding School at RAF Linton-on-Ouse. Having joined the RAF Association in the 1990s, Malcolm assumed the office of Treasurer for the Dursley and South Gloucestershire Branch in 2002. Malcolm was an avid supporter of the Association and would regularly volunteer for the collecting roster. In the past he has supported the headquarters fundraising stand at the RIAT and could regularly be seen collecting at our local supermarkets. This year Malcolm collected £806.41 in support of the RAF Association's welfare work and that figure exceeded our next most successful collector by some £26. Malcolm you will be sadly missed by all who knew you, but at the going down of the sun and in the morning we will remember you.

Our sincerest condolences for the family and friends of Malcolm, our thoughts are with you at this sad time.
